

Dear Friends,

We are delighted to announce the Rhythmical Massage Therapy Training has started with the 1st Module on 30th March 2016. We have been blessed with dedicated and enthusiastic students this year.

The condensed module (1b) will be held from 1st June until 9th June 2016 at Cherry Orchards in Bristol. This intensive 9 days course will enable new students subsequently join the Module 2 in August 2016 and thereby participate in the rest of programme (August 2016- 2018)
